

IN-HOME RING SIZING GUIDE

We have provided an environmentally friendly solution using your mobile screen:

CALIBRATE RING SIZER TO REAL DIMENSIONS:

Resize your screen so that your credit card fits into the box below.
Upon matching the card dimensions, move screen to right side with one finger.

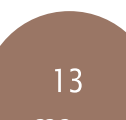

My ring size is 6!

SIZE A PRE-LOVED RING:

1. Select a pre-loved ring that fits in the finger you are choosing for your new ring purchase
2. Place the ring over the circles to the right
3. Match the inside of your ring to closest circle - similar to example above
4. Your ring happens to fall between two sizes? We recommend choosing the larger of the two ring sizes.

Please Note:
Consider the width of the ring you are purchasing.
Wider bands tend to fit tighter.
