

IN-HOME RING SIZING GUIDE

We have provided 2 alternatives for sizing your finger, option 1 requiring a print-out or option 2 being a more environment friendly one using your laptop or phone screens:

Option 1: Let me print-out my paper scale

FOR YOUR CHARMING FINGER:

Print out this paper in the comfort of your home on an A4 paper with 100% matching dimensions. The box below should match any credit card sizes you have, guaranteeing the right scaling of the paper tape.

SIZING THE RIGHT FINGER HUG YOU NEED:

1. Should the credit card size be adequate, cut out the scale on the right side.
2. Wrap the paper ruler around your finger for a comfortable fit.
3. The number indicated by the arrows is your ring size.
4. Make sure that the paper ruler moves comfortably across your finger!
And voilà! Pick the right size before adding your finger hug to your cart!

Option 2: Let us save the earth one paper at a time:

FOR YOUR CHARMING FINGER:

Resize your screen so that your credit card fits into the box below.
Upon matching the card dimensions, move the screen to the right side.

My ring size is 6!

SIZING THE RIGHT FINGER HUG YOU NEED:

1. Place a pre-loved ring you already own over the circles to the right.
2. Match the inside of your ring to the circle closest in size similar to the example above.
3. Your ring happens to fall between two sizes? We recommend choosing the larger of the two ring sizes.

Please Note:

Consider the width of the ring you are purchasing.
Wider bands tend to fit tighter.
